5000 KWP Solar Captive Power Plant**

Ref: Security Symbol: AUSL

Dear Sir/Madam,

In reference to the captioned subject, we are pleased to announce that Aditya Ultra Steel Limited, is engaged in the business of manufacturing rolled steel product i.e. TMT bars under the Kamdhenu brand catering mainly to the construction industry and for infrastructure development, is taking a significant step towards sustainable energy by investing in the development of a 5000 KWP Solar Captive Power Plant. This initiative marks a crucial milestone in our dedication to clean energy practices and environmental stewardship.

The proposed solar power plant will be situated Block/Survey Nos. 105, 106 P-1, 108 & 109 Village: Kundani, Sub-Dist. Jasdan, Dist. Rajkot. In a strategic move to harness sustainable energy sources and mitigate electricity costs, our manufacturing unit situated at Survey No-48, Wankaner Boudry, Bhalgam, National Highway 8-A, Wankaner, Rajkot, Wankaner, Gujarat-363621 has embarked on a captive investment in solar infrastructure, poised to significantly offset the electricity expenses incurred during the production process. For that purpose the Board in their meeting held today i.e. 29.04.2025 has approved to take the aforesaid land/premises on lease from KPI Green Energy Ltd. for power plant installation.

Any material developments regarding the solar plant's operations, production, or financial impact will be communicated to the stock exchange as board of the company deems fit.
